

Request for Access to General Records

Personal information contained on this form is collected under the Freedom of Information and Protection of Privacy Act and will be used only for the purpose of responding to your request. If you have any questions about the collection, use or disclosure of this information, please call Information Access Operations at 250-387-1321. You may make a request for access to records without using this form, provided you do so in writing. Including the relevant information requested on the form will enable us to respond to your request more quickly.

Request Records

If you are requesting your personal records, submit a [Personal Freedom of Information Request](#)

Before submitting your request, have you checked to see if records have already been released via [Open Information](#)?

Please describe the **specific records** you are requesting. Being as specific as possible will facilitate the search and may reduce or eliminate any potential fees.

Specific Records Requested: *

Please ensure that you are seeking records, not information or answers to questions.

Requesting the number of 911 emergency calls that were related to overdoses from fentanyl from within the province of British Columbia for each month from September 1 2018 to December 31 2018.
